

The West Country as a whole is renowned for the wealth of craft talent and the Guild reflects the best in Devon and the surrounding area.

The Mid-Devon Crafts Guild was founded in 1984 by a group of six local craftspeople.

Today, an ever-increasing variety of craft work and artistry is produced by Guild members mostly living in Devon.

Guild membership requires that you alone have crafted the items you produce and meet a high standard of excellence in your work to ensure the public that they are purchasing only top quality handcrafted items.

Current Guild members and examples of their work are shown on the website.

To apply for membership you will be invited to a Guild meeting to show us examples of the work you have made and talk about your craft. This will also give you a chance to ask us any questions that you may have. There is no restriction on the type of craft or where you live. Only after this meeting will we consider your application to join us. This ensures that our existing high standards are maintained. This may sound daunting, it isn't, it's a very friendly atmosphere.

If you are a craftsperson living in Devon or the surrounding area and would like to join us, please complete the application form below and send it to the advised address. Thank you.
